Salt Technique Dyed Bandanas w/Wheat Paste Resist & Overdyed w/ Designs....Sarah Bradburn

Learn to do resists, overdyeing, and design work for embellishing your fiber art creations. This is an all day workshop and you will leave with finished products. If you have a hair dryer you can bring, it would be greatly appreciated. This would speed up the drying process. This is a wet class.

Instruction Fee: \$30

Materials Fee: Included with the instruction fee.

Toothbrush Rug Chair Cushion.....Sarah Bradburn

Learn a new technique that can be applied to larger rugs by making a sample chair cushion. Students should bring 2" wide strips of cotton material (old pillow cases are best for beginners). Sheets may be used as well, but are not as good for beginners as pillow cases. Bring many, many strips.

Instructor Fee: \$15

Materials Fee: Included with the instruction fee, except where noted in the course description.

Learn To Needle Felt...Cindy Butler

This course will show the basic method of needle felting. The class will create a snowman ornament which may be hung on a tree or standup. This is a dry class.

Instructor Fee: \$25

Materials Fee: Included with the instruction fee.

Woven Tote Bag.....Betty Davis & Jean Lavell

Using a four harness table loom and weaving with rags students will create a woven tote bag or woven cell phone bag. Warp will be sent to students ahead of the retreat so you can warp your looms before you come. It is highly recommended that two people go together on one loom and share the warping. Both will create their own bag on the loom. If you are interested in this class, but do not have a table loom, please contact the registrar. There may be extra open looms for beginners to weave on.
